

# NORTHBRIDGE TECHNOLOGY ALLIANCE

Helping people change the world

## Membership

### Schedule of Benefits

### Benefits of Membership

1. **Usage licensing** for our member-owned, non-commercial remote meeting platform Nexus Web Meet ([Online Demo](#))
2. **Expert, instructor-led training** to help you adopt the latest streaming collaboration technologies (for example, webinars and remote meetings)
3. **Caucus participation** and **volunteer credits**, a structured way for you to participate in the advancement of technologies developed specifically by and for the social justice community

### Who Is Eligible for Membership?

In order to obtain the valuable benefits that membership with Northbridge confers, a collaborative team or individual must be awarded one of our Technology Grants. Upon completion of the Grant programming (4-6 hours of work) they are eligible to become a member.

### How Do I Apply for a Technology Grant?

Check your eligibility and [apply online](#) at the Northbridge Technology Alliance web site.

### Benefit Levels

Northbridge Technology Alliance currently offers four membership levels.
